ICE CELLAR.

We wish to announce to all users of ice that we have opened a cellar for its sale under the Henry Building, opposite the Postoffice, where our Mr. R. H. Murphey will be pleased to give every one full value of their money on tickets.

This ice is made on large iron plates, then cut into blocks. This process insures a solid purity, wonderful transparency, great density and freedom from air bubbles. It is more nearly like natural lake ice than it can be made by any other process, but is much purer and

MORE DURABLE,

As demonstrated by tests made. Our WHITE-COVERED WAGONS

No one doubts that the Kabo corset lasts a year without breaking or kinking or shifting a "bone," because we refund the money in case of a single item of failure in these respects.

And no one doubts that the Kabo answers its purpose and suits the wearer, because, if it don't, we refund the money on call within a week or two or three.

It is the unbreakable corset, the Kabo. It is the un-wear-out-able corset, the Kabo. It is the corset that suits, the Kabo.

The only question is: Do you want the Kabo kind of a corset?

We have a primer on Corsets for you at the store.
